“This House:

Reiterates its unwavering support for the Kashmiri people’s right of self-determination in accordance with UNSC resolutions and the UN Charter, including the provision of political, diplomatic and moral support to the people of IOK in the just struggle for self–determination.

2. Salutes the courage, valor and commitment of successive generations of Kashmiri people for their ongoing struggle for self determination as promised to them by the international community in UNSC resolutions.

3. Rejects the Indian Government’s ridiculous claims that Kashmir is an integral part of India when India itself took the Kashmir dispute to the UNSC thereby accepting it as an international dispute between two sovereign UN members.

This House condemns:

4. The state terrorism perpetrated by Indian occupation forces against the unarmed Kashmiri civilians in Indian Occupied Kashmir, including women and children, which has led to martyrdom of thousands of innocent Kashmiris;

5. The use of pellet guns to deliberately blind unarmed Kashmiris, including women and children in clear violation of the international treaties against the use of inhumane weapons of war including the Geneva Convention of 1949, their Additional Protocols I & II and International Humanitarian Law;

6. The continued use of draconian laws against the Kashmiris and recurring curfew in IOK which have aggravated the miseries of the local population and which are in clear violation of all international human rights conventions;

-: 2 :-
