STATEMENT OF OBJECTS AND REASONS

1. Introduction:

The Federal Government Employee Foundation (FGEHF) is a public limited company registered with SECP under Section 42 of Companies Ordinance 1984 operating under auspices of Ministry of Housing & Works. The mandate of FGEHF is to provide affordable residential accommodation to Federal Government employees and other specified groups, on no profit no loss basis, without involving any funds from public exchequer. So far FGEHF has launched five housing schemes and provided approximately 23000 housing units to the Federal Government employees and other specified groups. FGEHF has approximately 150,000 members, which increase around 1 million with launching of new projects.

2. Justification to establish F.G.E Housing Authority:-

- The jurisdiction of FGEHF extends to whole of Pakistan with current projects at Islamabad/ Rawalpindi and Karachi.
- FGEHF is not a regulatory body as per existing Memorandum and Article of Association of FGEHF, thus not vested with the status of authority to accord requisite approvals for its projects.
- FGEHF is in the process of launching new projects in Islamabad and other parts of Pakistan in order to clear the huge backlog, thus extending the jurisdiction to other major cities.
- The launching of new projects may not be feasible on fast track basis without the fact that Housing Foundation has status of Authority.
- The process of land acquisition and securing approvals of layout plans to launch any project is extremely complex and time consuming as dependent on other regulatory bodies (Development Authorities & District Administration). (Two major scheme i.e. F-14/ F-15 and Park enclave pending adjudication in Supreme Court on Land Acquisition issues).
- It is extremely difficult to implement any scheme within the anticipated time frame, because of no controls/ authority. The time overruns thus lead to cost overruns.
- Maintenance of existing schemes not possible without the status of authority, thus the residents are suffering badly because of poor facilities and lack of basic utility services, (The sectors G13 & 14, CDA neither performing nor allowing FGEHF to provide basic services by collecting requisite revenues & disposal of assets).

3. To expedite the projects on fast track basis by establishing a one window facility through legislation there is a urgent need of body, to address the above narrated issues.

Chaudhary Tariq Bashir Cheema
Federal Minister for Housing & Works
