STATEMENT OF OBJECTS AND REASONS

In order to bring further improvements in the Anti-Money Laundering Act, 2010 (AML Act) and in line with suggestions of AML/CFT stakeholders particularly Law Enforcement Agencies responsible for the enforcement of AML Act, 2010, amendments in the AML Act, 2010 are being proposed. The proposed amendments will reflect the Government's firm resolve to strengthen its Anti-Money Laundering regime. These amendments are aimed at streamlining the existing AML law in line with international standards and suggest enhancing the punishment of offence of money laundering to make it more dissuasive and deterrent. The amendments suggest to make the offence punishable under the AML Act, 2010 as "cognizable offence". These amendments would also allow Financial Monitoring Unit to seek Egmont Group Membership (Group of Financial Intelligence Unit) which is the requirement under the Financial Action Task Force Recommendations.
