### **Condemnation of Israeli Oppression and Brutality against people of Palestine**

The National Assembly of Pakistan in its session held on 2<sup>nd</sup> August 2024, hereby resolves as follows:

Whereas the atrocities by Israel on Palestinians have escalated, causing immense suffering and loss of over 40,000 innocent lives so far, including women and children;

**Whereas** all Parliamentary Parties in the National Assembly express their unified grief and anger over the ongoing Israeli oppression and brutality against people of Palestine for the past nine months;

**Whereas** the assassination of Hamas leader Ismail Haniyeh in Tehran has added to the angst and grief, and such incidents are seen as deliberate conspiracies to sabotage efforts to stop the ongoing oppression and brutality against Palestinians, and to establish peace in the region;

**Whereas** the Israeli leadership is intent on expelling the population of Palestine from their homeland, and despite clear verdicts of the International Court of Justice (ICJ) and resolutions of the United Nations General Assembly, the UN Security Council, Organization of Islamic Cooperation (OIC) and calls by the UN Secretary General, Israel has not stopped the indiscriminate violence and attacks against innocent Palestinians;

**Whereas** Pakistan condemns terrorism in all its forms and manifestations, including extrajudicial and extraterritorial killings irrespective of the motives, and views with serious concern the growing adventurism in the region; and

**Whereas** such incidents not only destroy the peace of the world but also constitute a dangerous escalation in an already volatile region and undermine efforts for peace;

Therefore, this House:

1. **Strongly condemns** the ongoing state oppression and brutality by Israel in Palestine as a tragedy for the Muslim Ummah and the World.
2. **Expresses complete solidarity** with the Palestinian brothers and sisters and extends condolences to the family of Ismail Haniyeh and the people of Palestine.

8. **Calls** on the United Nations Security Council to take effective measures to impose its call for a ceasefire in Gaza in order to stop the genocidal war being waged against Palestinian people and hold Israel accountable for its war crimes and crimes against humanity inflicted upon the Palestinians.

9. **Calls** on the international community to take effective collective action to halt Israel's oppression and brutalities, and deliver justice to the Palestinian people.
